

**Over 90% of those polled AGREE -**  
*Toilet paper can leave skin feeling irritated,  
 because it is not entirely effective.*

**Don't blame toilet paper. Blame an incomplete system. NOTHING gets clean before getting it a little wet, too.**  
 Tidymates® SNAP-'n-GO dispensers combine toilet paper and certified flushable wipes into one elegant unit; ensuring added levels of convenience, reliability, organization and sanitation. Inside are the most scientifically advanced overall flushable wipes on the market.\*
